About Ratos

Ratos is a Swedish business group focusing on technological and infrastructure solutions, consisting of 15 companies divided into three business areas: Construction & Services, Industry and Consumer. The companies have approximately SEK 32 billion in net sales (September LTM). We have a distinct corporate culture and strategy – everything we do is based on our core values: Simplicity, Speed in Execution and It's All About People. We enable independent subsidiaries to excel by being part of something larger. People, leadership, culture and values are key focus areas.
