

Byggfakta Group donates MSEK 1 to UNHCR for support to Ukraine

The crisis in Ukraine is a human tragedy with children and families being forced to flee their homeland. Byggfakta Group supports the Ukrainian people and acts to contribute to international aid and assistance efforts through a donation to the UN Refugee Agency UNHCR.

Byggfakta Group donates MSEK 1 to UNHCR to contribute to relief efforts in Ukraine and affected countries. Byggfakta Group, through the Nordic Family Group, is also organising a Nordic fundraising campaign in collaboration with Save the Children for the benefit of children in crisis Ukraine.

"The war and its consequences for Ukraine and its people are terrible. Through our donation and fundraising campaign, we want to give our support for emergency aid to exposed people in Ukraine," says Stefan Lindqvist, CEO of Byggfakta Group.

Byggfakta Group has no commercial exposure in Ukraine, Russia or Belarus.

About Byggfakta Group

Byggfakta Group, headquartered in Ljusdal, Sweden, with origins dating back to 1936, is a leading digital platform providing solutions connecting construction value-chain participants, maximising sales and improving efficiency for its customers. The Company's core offering lies across four product segments, targeting different stakeholders in the construction value chain, namely (i) Project Information – a business intelligence sales lead platform; (ii) Specification – specification software digitalising the specification writing process; (iii) Product Information – an online platform that allows suppliers to showcase their products online, and provides buyers with a comprehensive catalogue of curated construction products; and (iv) e-Tendering - eSourcing and eProcurement software.
