04 May 2026 16:00:00 CEST

## **Sdiptech has divested its lift engineering business in Central Europe**

**Sdiptech AB (publ) today announces that it has divested Metus, a lift engineering business, to one of the largest building maintenance service providers and developers of engineering and technological solutions in the Baltics.**

Metus is operating primarily in Croatia and Slovenia and has been part of Sdiptech since 2015 and as communicated previously, Metus has not been part of Sdiptech's long-term strategic investment and development plan and has been reported as Discontinued operations since the third quarter of 2024 in accordance with IFRS 5.

"We are pleased to have found a long-term owner for Metus and we are confident that the new owners will successfully support Metus", comments Peter Stegersjö, Head of Strategy & Corporate Development at Sdiptech,
