## **Isofol Medical AB (publ) publishes annual report and corporate governance report for 2025**

**GOTHENBURG, Sweden, April 10, 2026 - Isofol Medical AB (publ), (Nasdaq Stockholm: ISO FOL), today announced that the company's annual report and corporate governance report for the financial year 2025 are now available, in Swedish as well as an English translation, on the company's website, [www.isofofmedical.com](http://www.isofofmedical.com).**

### **CEO's comment**

*"Isofol made clear progress in 2025, focusing on resuming the clinical development of arfolitixorin. After the end of the fiscal year, we reported positive preliminary interim results from the ongoing study. Furthermore, we have had a productive dialogue with regulatory authorities, deepened our collaboration with partner Solasia Pharma K.K., and strengthened our financial position," says CEO Petter Segelman Lindqvist.*

### **About Isofol**

Isofol Medical AB (publ) is a clinical stage biotechnology company focused on improving outcomes for patients with severe forms of cancer. The company's drug candidate arfolitixorin, a next generation folate treatment, is designed to enhance the efficacy of established standard treatments for several types of solid tumors. Arfolitixorin is currently being evaluated in phase Ib/II in colorectal cancer, the world's third most common cancer, where there is a significant unmet medical need. Isofol is listed on Nasdaq Stockholm.
