

# Hilbert Group Launches Regular CEO Updates via its Website and Introduces New KPIs

***New transparency initiative to include strategy performance, asset flows, and other key metrics.***

Hilbert Group AB (NASDAQ: HILB B) today announced the launch of a regular CEO Update via its website — a new initiative designed to provide shareholders and stakeholders with deeper insights into the company's strategy, performance, and market developments.

As part of this update, Hilbert Group is introducing a new set of key performance indicators (KPIs), covering areas such as strategy performance and asset flows. These metrics will be published on a regular basis on the company's website.

The inaugural CEO Update, covering January 2026 performance, is available at:
