Image Systems' Business Unit Motion Analysis secures order worth approx. MSEK 1.5 from major European defence customer

Image Systems' business unit Motion Analysis has secured an order from a major European defence customer valued at approx. MSEK 1.5. The order covers a software subscription over 60 months with start during the fall of 2026.

> "This order confirms the continued demand for our advanced solutions for motion analysis within military applications."

says Andreas Ovemyr, CEO Image Systems Motion Analysis.
