## New agreement - Esbjerg Hospital starts up with CoreTherm® treatments

**ProstaLund has signed an agreement on CoreTherm® with the new customer Sydvestjysk Sygehus, with placement of the Coretherm® machine at Esbjerg Sygehus.**

ProstaLund has signed an agreement with Sydvestjysk Sygehus in Denmark. The agreement means that ProstaLund installs the CoreTherm® machine with accessories at the clinic. The first CoreTherm® treatments are planned to be carried out in January 2024.

"It is pleasing news that another hospital will perform CoreTherm® treatments in Denmark and that patients will have more options" says Anders Kristensson, CEO ProstaLund AB.
