VEF CEO, Dave Nangle comments:

*"As a firm we plan for change and succession, so that moments like these are low volatility, smooth events.*

*On behalf of all at VEF, I would like to thank Henrik for the key role he has played at VEF over the last 7 years. Having been with the company since 2016, he is effectively one of the founding employees and a good friend of the firm. We wish him all the best in his new endeavors.*

*I am pleased to see Kim step into the role as interim CFO. He has become a valuable member of the team over the last 3 years, and his transition to a more senior finance role in the firm was only a function of time."*
