

Correction: Intellego Technologies AB appoints Mangold Fondkommission as new Certified Adviser

The message incorrectly stated that Carnegie Investment Bank AB (publ) was still listed as the Certified Adviser in the sender text (Boiler Plate). The correct information is that Mangold Fondkommission AB is now the Company's new Certified Adviser.

Intellego Technologies AB has entered into an agreement with Mangold Fondkommission AB ("Mangold") regarding the service as Certified Adviser. Mangold will take over as Certified Adviser today on 28 November 2024.

About Us

Intellego Technologies develops and manufactures color indicators that show the effect of irradiation with, among other things, invisible ultraviolet light, UV light. Color indicators are used globally in, for example, the disinfection industry, the sunscreen industry, and the manufacturing industry. Intellego's indicators have been developed from the company's patented photochromic ink, which can be adapted to different wavelengths of light and various application areas across a range of different industries. Intellego Technologies was founded in 2011, is headquartered in Stockholm, and is listed on the Nasdaq First North Growth Market.

The company's Certified Adviser on the Nasdaq First North Growth Market Stockholm is Mangold Fondkommission AB.
