

Svenska Aerogels CEO on Q1 2026: Stable revenue, reduced cash outflow

In a video, Tor Einar Norbakk, CEO of Svenska Aerogel Holding AB (publ), (“Svenska Aerogel”) or (the “Company”), comments on the interim report for the first quarter of 2026, providing an update on the business and outlining the Company’s priorities for the coming quarter.

“During the quarter, we completed the order for Outlast® Technologies, and other customers have also returned with new orders. Since last year, the Company has established a new revenue level which, combined with strengthened cost control, has reduced net cash outflow. The upcoming rights issue will support continued commercialization and growth and will be conducted in a shareholder-friendly structure,” says Tor Einar Norbakk.
