

All Test Easy AB submits a purchase order for demo products

CSR Test Easy AB has sent a purchase order to European Institute of Science AB (EURIS) for the acquisition of demo products

All Test Easy's subsidiary CSR Test Easy AB (company registration no. 556892-4970) has ordered demo products from EURIS, European Institute of Science AB (publ), company registration no. 556404-2769. The order was placed in accordance with the companies' OEM agreement and concerns a selection of veterinary diagnostic products for sales to veterinary clinics and animal hospitals in Sweden, UK, China, and UAE (Dubai). The products include four instruments (to four countries) as well as several blood test kits to carry out diagnostic tests for sick dogs, cats, and horses, all at a value of SEK 100,120.

European Institute of Science AB has been in existence for over 25 years and is listed on the Spotlight Stock Market since 1998. The company is committed to maintaining a comprehensive quality system for the development and production of safe and effective, high-quality diagnostic products.
