

Enersize has published newsletter #4, 2022

Nasdaq First North-listed Enersize has today published the company's 4th newsletter for 2022 on the company's website enersize.com - <https://enersize.com/newsdesk/newsletter-4-2022/>.

The newsletter, which includes an international group of specialists, focuses on energy optimization of industrial compressed air. The reader gets to meet the North American expert Ron Marshall from Compressed Air Challenge who writes about what happens when compressors work against each other. Enersize's latest partner DAS Korea talks about helping companies meet their sustainability goals. Enersize CEO Anders Sjögren shares practical tips in the field and the newsletter also contains information about activities such as Ideon Innovation Day and Enersize Spring Launch 2022.

For more information about Enersize, please contact:
