
FluoGuide Q2 2025 - Gearing up for the next phase

Redeye comments on FluoGuide's Q2 2025 report. The company's recent progress update mostly aligned with our expectations, and we view its recent announcement of a collaboration with Olympus as encouraging. We judge the share's next significant trigger will be the company's phase II HNC interim readout in Q4 2025e, which could pave the way to pivotal trials in this indication.
