

Argo Defence Group's subsidiary Swedish Net Air & Defence receives order from FMV valued at SEK 54 million

Argo Defence Group AB (publ) has through its wholly owned subsidiary Swedish Net Air & Defence AB received an order from the Swedish Defence Materiel Administration (FMV) regarding customised containers with a value of SEK 54 million. Together with the previous order from November 2025, the total order value under the existing framework agreement with FMV amounts to SEK 95 million, with deliveries scheduled for Q2–Q4 2026.

The framework agreement has a maximum value of approximately SEK 340 million and runs for two years, with the possibility of extension for up to a total of four years. The order includes several types of containers, developed to meet FMV's requirements for robustness, durability and functionality for operational use in varying and demanding environments.

"Through Swedish Net Air & Defence, we once again demonstrate our ability to deliver qualified solutions within the defence sector. The order strengthens the Group's position and provides good visibility for 2026", says Marcus Selme, CEO of Argo Defence Group.
