

Fireshine Announce Kādomon Today

Fireshine Games are proud to announce Kādomon: Hyper Auto Battlers, a vibrant monster-battling roguelike that'll put the players monster taming skills to the test in strategic battles.

Discover over 100 Kādomon-monsters to catch and train, evolving their skills to boost their stats and upgrade their abilities. Group up Kādomon by element to unleash powerful team synergy effects. Use items to add new abilities, passive effects, and stat boosts to elevate your strategies and change the tide of battle.

Find rare, shiny variations of each Kādomon known as Misprints, and complete your Kādodex with each monster you've encountered and collected. Traverse the world of Kādomon to unlock new monsters to join your team and become the ultimate trainer.

"We're thrilled to introduce Kādomon: Hyper Auto Battlers as the next game in our publishing line-up today," said Sarah Hoeksma, Marketing Director at Fireshine Games. "Kādomon: Hyper Auto Battlers is an easy to pick up and almost impossible to put down roguelike monster battler that we can't wait for fans of the genre to discover. We truly think Dino Rocket is creating something fans will love, and we're delighted to share an early look at the game with today's trailer and demo."

Kādomon: Hyper Auto Battlers is coming soon to PC. [Download the demo](#) and add the game to your [Steam Wishlist](#) today. For more information, visit fireshinegames.co.uk.
