

## Paxman publishes newsletter on a new bill in the USA to increase access to scalp cooling

**Today, Paxman publishes the April issue of its newsletter aimed at shareholders, investors and other interested parties.**

This month's issue highlights the bill HB7322, which has been introduced to the House. The bill would require all health insurers to provide coverage for scalp cooling treatments for the prevention of chemotherapy-induced alopecia for cancer patients.

The newsletter also includes information on that the complete program for the Scalp Cooling Summit, an international event to be held by Paxman on May 5, has now been published, that Paxman extends its team with several new members including Dr. Aishwarya Bandla as Regional R&D Manager with focus on the company's CIPN project, the new episode of the Changing the Face of Cancer podcast, new orders in the USA, the UK and internationally, and new distribution agreements for Serbia and Qatar.

To read the newsletter and subscribe for upcoming issues, follow this link:

Paxman's investor newsletter is published monthly as a part of the company's effort to strengthen its market communication together with the IR communication agency [Honeybadger](#). Every published issue of the newsletter is available on Paxman's website for investors, [www.paxman.se](http://www.paxman.se). The company encourages feedback and requests on topics for upcoming issues of the newsletter.

## About Us

---

The Paxman Scalp Cooling System has been developed by the Paxman family to reduce hair loss in breast cancer patients undergoing chemotherapy. The concept behind the system came when the mother of four, Sue Paxman, experienced first-hand the trauma of chemotherapy-induced hair loss. With close to 4,000 systems delivered in to hospitals, clinics and treatment centres around the world, PAXMAN is the leading supplier of Scalp Cooling technology. PAXMAN's scalp-cooling cap is made from lightweight, biocompatible silicone that is soft and flexible, providing a snug yet comfortable fit during treatment. PAXMAN AB (publ) has its headquarters in Karlshamn (Sweden), with subsidiaries in Huddersfield (UK) and Houston, Texas (US).

The PAXMAN share is listed on Nasdaq First North Growth Market. FNCA Sweden AB is the company's Certified Adviser and can be contacted via [info@fnca.se](mailto:info@fnca.se) and +46 (0)8 528 003 99.
