

## W5 Solutions receives an order worth 33 MSEK from a Nordic customer

**W5 Solutions receives an order within the Live-Fire Training domain from an existing Nordic customer. The order value is approximately 33 MSEK, and the systems will be delivered during Q4 2022.**

"We are grateful for the continued trust, and we are confident that our Live-Fire System will increase the soldier combat capability, and ease the officer's workload," says Robert Dahlgvist, Executive Vice President and head of sales of W5 Solutions.

The W5 Solutions business area, Live-Fire Training, enables live fire exercises with live ammunition as a part of the combat units training. The product portfolio covers training systems from a single soldier up to complex scenario-driven exercises with an after-action review.

"We see the effect of our activities to meet our customers increased demand during the first half of this year. W5 Solutions continues to see strong order growth during 2022 with an increased booking of 218 MSEK, corresponding to an increase of 112 % (105 MSEK) since the same date last year" says Daniel Hopstadius, CEO of W5 Solutions.
