Changes in the Revenio Group Corporation's Leadership Team

Mika Salkola, Revenio Group Corporation's Vice President of Research, has retired as of 4 October 2022. Salkola has worked as a Director of Product Development and Research at iCare Finland Oy, a subsidiary of Revenio Group Corporation, since 2015, and has been a member of the Revenio Group's Leadership team since 2018.

"I would like to thank Mika for his excellent work in his key role on iCare's product development, and for sharing his unique expertise to our product development team. Through his visionary work, the company has evolved into an innovative pioneer of eye disease screening and monitoring", says **Jouni Toijala**, CEO of Revenio.

M.Sc. Eng. Giuliano Barbaro, Vice President, Devices, will take over the responsibility for research management in addition to product development as of 4 October 2022. He has been a member of Revenio's Leadership team since 2020.

"This was a logical transition for Giuliano Barbaro to take on a broader product development portfolio. I am confident that Giuliano, with his strong product development and industry expertise, is the right person to lead Revenio's product development into a new era. His extensive experience in CenterVue S.p.A.'s demanding product development also supports Revenio's strong internationalization strategy", says CEO **Jouni Toijala**.
