About MIPS

MIPS is a world-leader in helmet-based safety and the protection of the human brain. Based on an ingredient brand business-model, MIPS Brain Protection System (BPS) is sold to the global helmet industry. The technology is based on over 20 years of research and development together with the Royal Institute of Technology and the Karolinska Institute, both located in Stockholm, Sweden. MIPS headquarter with 33 employees engaged in research and development, sales, marketing and administration is in Stockholm, where its product and technology test facility also is located. The MIPS share is listed on Nasdaq Stockholm. For more information: www.mipscorp.com
