Qlucore approved for listing on Nasdaq First North Growth Market

Qlucore AB (public) (“Qlucore” or “Company”) has today received approval of the application for listing of Qlucore shares on the Nasdaq First North Growth Market. The first day of trading of the shares will be 5th November 2021. Trading will be done with the ticker QCORE.

"This paves the way for a new phase in Qlucore's development. With the funding from the rights issue in conjunction with this listing Qlucore now has the resources to launch its software globally and create conditions for better cancer care, with fast and precise large data set analysis" says Pia Gideon, Chairman of the Board at Qlucore.

Qlucore has, as earlier communicated, concluded a rights issue to public and professional investors, both in Sweden and internationally, for a total of approximately 9.1 million EURO. The rights issue was fully subscribed. At the time of the rights issue it was also communicated that Qlucore had the intention to list shares on Nasdaq First North Growth Market. Qlucore has today received this approval.

The first day of trading is November 5, 2021. The share will be traded with the ticker QCORE, and the ISIN-code is SE0016829824.

Forward-looking statements

This press release contains forward-looking statements that reflect the Company's intentions, beliefs, or current expectations about and targets for the Company's future results of operations, financial condition, liquidity, performance, prospects, anticipated growth, strategies and opportunities and the markets in which the Company operates. Forward-looking statements are statements that are not historical facts and may be identified by words such as "believe", "expect", "anticipate", "intend", "may", "plan", "estimate", "will", "should", "could", "aim" or "might", or, in each case, their negative, or similar expressions. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurances that they will materialize or prove to be correct. Because these statements are based on assumptions or estimates and are subject to risks and uncertainties, the actual results or outcome could differ materially from those set out in the forward-looking statements as a result of many factors. Such risks, uncertainties, contingencies and other important factors could cause actual events to differ materially from the expectations expressed or implied in this release by such forward-looking statements. The Company does not guarantee that the assumptions underlying the forward-looking statements in this press release are free from errors nor does it accept any responsibility for the future accuracy of the opinions expressed in this press release or any obligation to update or revise the statements in this press release to reflect subsequent events. Readers of this press release should not place undue reliance on the forward-looking statements in this press release. The information, opinions and forward-looking statements that are expressly or implicitly contained herein speak only as of its date and are subject to change without notice. Neither the Company nor anyone else undertake to review, update, confirm or to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise in relation to the content of this press release.
