

ADDvise Q2 2024 - Road to recovery

Redeye updates its estimates and valuation following ADDvise releasing its Q2 2024 report, which featured expectedly soft figures. Top-line and adjusted profitability figures came in below our estimates, though organic growth will likely recover in Q4 2024e and onwards. Further, the company's recent sudden CEO transition will likely require some time to regain investor confidence as stability returns. We nudge down our estimates and valuation.
