About EG7

EG7 is a group of companies within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. The company employs 470+ game developers and develops its own original IPs, as well as acts as consultants to other publishers around the world through its game development divisions Daybreak Games, Piranha Games, Toadman Studios, Big Blue Bubble and Antimatter Games. In addition, the group's marketing department Petrol has contributed to the release of 1,500+ titles, of which many are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution departments Fireshine Games hold expertise in both physical and digital publishing. EG7 is headquartered in Stockholm with approximately 880 employees in 16 offices worldwide.
