Playdigious to develop mobile version of Legend of Keepers

Playdigious SAS (“Playdigious”), a wholly-owned subsidiary of Fragbite Group AB (publ) (“Fragbite Group”), will develop and publish the mobile version of PC and console title Legend of Keepers. The game is set to be released on May 23d, 2023, and is available for preorder starting today.

Originally developed by Goblinz Studio, critically acclaimed title *Legend of Keepers* was released in 2021 on PC and Nintendo Switch. Playdigious is partnering with Goblinz Studio to develop and publish the game on mobile platforms for release on May 23rd, 2023.

Marcus Teilman, President and CEO of Fragbite Group, comments:

“We are very pleased to offer players another exciting mobile game based on a title which has already had success on other platforms. We will continue to focus on growing Playdigious’ business and thus expanding the porting and publishing capacity of Fragbite Group to make room for more critically acclaimed titles like of Legend of Keepers, which makes for a very promising addition to our growing portfolio.”

Legend of Keepers is a dungeon management game with roguelite mechanics. The mobile version can be pre-ordered on iOS starting today and players can also pre-register for the game on Android.
