SUMMONS FOR A WRITTEN RESOLUTION

Nordic Trustee AS (the “**Bond Trustee**”) acts as bond trustee for the bondholders (the “**Bondholders**”) in the above-mentioned bond issue (the “**Bonds**”) issued by Ventura Offshore Midco Ltd. (formerly PS Marine Midco Ltd.) as issuer (the “**Issuer**”) pursuant to the bond terms originally dated 16 April 2024 and amended and restated by an amendment and restatement agreement dated 17 July 2024 (the “**Bond Terms**”).

All capitalised terms used, but not defined herein, shall have the same meaning ascribed to them in the Amended and Restated Bond Terms (as defined below). References to Clauses and paragraphs are references to Clauses and paragraphs of the Bond Terms (unless the context requires otherwise).

*The information in this summons (the “**Summons**”) regarding the Issuer, market conditions and described transactions is provided by the Issuer, and the Bond Trustee expressly disclaims all liability whatsoever related to such information.*

1 BACKGROUND

Reference is made to the stock exchange notice made by the Issuer on 2 April 2026 regarding the Group’s entry into contract extensions with Petrobras for its semi-submersible drilling rig SSV Victoria and its managed drillship Atlantic Zonda, as well as the stock exchange notice made on 17 December 2024 regarding the contract with Petrobras for the Group’s drillship DS Carolina.

In connection with the extended contracts, a budgeted amount of approximately USD 146-156 million of contract-related capex, special periodical surveys, capital spares, maintenance, upgrades and overhauls is planned to be performed before Q1 2027. To right-size the long-term capital structure of the Issuer, the Issuer has requested the issuance of USD 75m of additional Bonds and certain other amendments to be made to the Bond Terms, with a full refinancing of the Bonds expected to be completed by Q4 2026.

The Issuer has informed the Bond Trustee that it has received support for the Proposal (as defined below) from Bondholders holding more than 2/3 of the Voting Bonds.

2 AMENDMENT AND RESTATEMENT OF BOND TERMS

The Issuer requests that the Bond Terms, with effect from the date at which the conditions precedent set out in section 4 (*Conditions*) below are satisfied (the “**Effective Date**”), be amended and restated in the form attached as Schedule 2 (*Amended and Restated Bond Terms*) hereto (the “**Amended and Restated Bond Terms**”).

The key modifications and amendments to the Bond Terms are as follows:

- (a) an increase in the maximum total outstanding Nominal Amount of the Bonds from the current outstanding Nominal Amount (following prior amortisations, and net of the scheduled USD 10,000,000 amortisation on 19 April 2026) of USD 115,000,000 to USD 190,000,000 by way of issuance of additional Bonds in an aggregate Nominal Amount of USD 75,000,000 (the “**Additional Bonds**”) to subscribers, with the Net Proceeds to be applied towards contract capital expenditures, special periodical surveys and overhaul costs related to DS Carolina and SSV Victoria and for general corporate purposes of the Restricted Group;
- (b) deferral of the remaining scheduled amortisation instalments falling due on the Interest Payment Dates in July 2026, October 2026 and January 2027, such that all such amounts shall instead be payable on the Maturity Date in April 2027;
- (c) amendment of the call schedule such that the Issuer may redeem all or part of the Outstanding Bonds on any Business Day from and including the Interest Payment Date in April 2026 to, but not including 1 January 2027 at a price equal to 101.50 per cent. of the Nominal Amount for each redeemed Bond, and thereafter at a price equal to 105.00 per cent. of the Nominal Amount for each redeemed Bond;
- (d) amendment of the redemption price on the Maturity Date to 105.00 per cent. of the Nominal Amount of the redeemed Bonds; and
- (e) such other amendments as are necessary or consequential to give effect to the amendments described in paragraphs (a) to (d) above.

- (b) The provisions and procedures regarding Bondholders' Meetings as set out in Clause 15.1 (*Authority of the Bondholders' Meeting*), Clause 15.2 (*Procedure for arranging a Bondholders' Meeting*) and Clause 15.3 (*Voting rules*) shall apply *mutatis mutandis* to a repeated Bondholders' Meeting, with the exception that the quorum requirements set out in paragraph (e) of Clause 15.1 (*Authority of the Bondholders' Meeting*) shall not apply to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders' Meeting shall also contain the voting results obtained in the initial Bondholders' Meeting.
- (c) A repeated Bondholders' Meeting may only be convened once for each original Bondholders' Meeting. A repeated Bondholders' Meeting may be convened pursuant to the procedures of a Written Resolution in accordance with Clause 15.5 (*Written Resolutions*), even if the initial meeting was held pursuant to the procedures of a Bondholders' Meeting in accordance with Clause 15.2 (*Procedure for arranging a Bondholders' Meeting*) and *vice versa*.

15.5 Written Resolutions

- (a) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders' Meeting pursuant to Clause 15.1 (*Authority of the Bondholders' Meeting*) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a Bondholders' Meeting, and any reference in any Finance Document to a Bondholders' Meeting shall be construed accordingly.
- (b) The person requesting a Bondholders' Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.
- (c) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee's web site, or other relevant electronic platform or via press release.
- (d) The provisions set out in Clause 15.1 (*Authority of the Bondholders' Meeting*), 15.2 (*Procedure for arranging a Bondholders' Meeting*), Clause 15.3 (*Voting rules*) and Clause 15.4 (*Repeated Bondholders' Meeting*) shall apply *mutatis mutandis* to a Written Resolution, except that:

- (i) the provisions set out in paragraphs (g), (h) and (i) of Clause 15.2 (*Procedure for arranging Bondholders Meetings*); or

 - (ii) the time limit within which the Bond Trustee must have received all votes necessary in order for the Written Resolution to be passed with the requisite majority, which shall be at least 10 Business Days but not more than 15 Business Days from the date of the Summons (the “**Voting Period**”).

- (g) A Written Resolution is passed when the requisite majority set out in paragraph (f) or (g) of Clause 15.1 (*Authority of Bondholders’ Meeting*) has been obtained, based on a quorum of the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution will also be resolved if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.
- (h) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being obtained.
- (i) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the time specified in the summons on the last day of the Voting Period, and a decision will be made based on the quorum and majority requirements set out in paragraphs (e) to (g) of Clause 15.1 (*Authority of Bondholders’ Meeting*).

16. THE BOND TRUSTEE

16.1 Power to represent the Bondholders

- (a) The Bond Trustee has power and authority to act on behalf of, and/or represent, the Bondholders in all matters, including but not limited to taking any legal or other action, including enforcement of these Bond Terms, and the commencement of bankruptcy or other insolvency proceedings against the Issuer, or others.
- (b) The Issuer shall promptly upon request provide the Bond Trustee with any such documents, information and other assistance (in form and substance satisfactory to the Bond Trustee), that the Bond Trustee deems necessary for the purpose of exercising its and the Bondholders’ rights and/or carrying out its duties under the Finance Documents.

16.2 The duties and authority of the Bond Trustee

- (a) The Bond Trustee shall represent the Bondholders in accordance with the Finance Documents, including, inter alia, by following up on the delivery of any Compliance Certificates and such other documents which the Issuer is obliged to disclose or deliver to the Bond Trustee pursuant to the Finance Documents and, when relevant, in relation to accelerating and enforcing the Bonds on behalf of the Bondholders.
- (b) The Bond Trustee is not obligated to assess or monitor the financial condition of the Issuer or any other Obligor unless to the extent expressly set out in these Bond Terms, or to take any steps to ascertain whether any Event of Default has occurred. Until it has actual knowledge to the contrary, the Bond Trustee is entitled to assume that no Event of Default has occurred. The Bond Trustee is not responsible for the valid execution or enforceability of the Finance Documents, or for any discrepancy between the indicative terms and conditions described in any marketing material presented to the Bondholders prior to issuance of the Bonds and the provisions of these Bond Terms.
- (c) The Bond Trustee is entitled to take such steps that it, in its sole discretion, considers necessary or advisable to protect the rights of the Bondholders in all matters pursuant to the terms of the Finance Documents. The Bond Trustee may submit any instructions received by it from the Bondholders to a Bondholders' Meeting before the Bond Trustee takes any action pursuant to the instruction.
- (d) The Bond Trustee is entitled to engage external experts when carrying out its duties under the Finance Documents.
- (e) The Bond Trustee shall hold all amounts recovered on behalf of the Bondholders on separated accounts.
- (f) The Bond Trustee shall facilitate that resolutions passed at the Bondholders' Meeting are properly implemented, provided, however, that the Bond Trustee may refuse to implement resolutions that may be in conflict with these Bond Terms, any other Finance Document, or any applicable law.
- (g) Notwithstanding any other provision of the Finance Documents to the contrary, the Bond Trustee is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (h) If the cost, loss or liability which the Bond Trustee may incur (including reasonable fees payable to the Bond Trustee itself) in:
 - (i) complying with instructions of the Bondholders; or
 - (ii) taking any action at its own initiative,

will not, in the reasonable opinion of the Bond Trustee, be covered by the Issuer or the relevant Bondholders pursuant to paragraphs (e) and (g) of Clause 16.4 (*Expenses, liability and indemnity*), the Bond Trustee may refrain from acting in accordance with such instructions, or refrain from taking such action, until it has received such funding or

indemnities (or adequate security has been provided therefore) as it may reasonably require.

- (i) The Bond Trustee shall give a notice to the Bondholders before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Bond Trustee under the Finance Documents.
- (j) The Bond Trustee may instruct the CSD to split the Bonds to a lower nominal value in order to facilitate partial redemptions, write-downs or restructurings of the Bonds or in other situations where such split is deemed necessary.

16.3 Equality and conflicts of interest

- (a) The Bond Trustee shall not make decisions which will give certain Bondholders an unreasonable advantage at the expense of other Bondholders. The Bond Trustee shall, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- (b) The Bond Trustee may act as agent, trustee, representative and/or security agent for several bond issues relating to the Issuer notwithstanding potential conflicts of interest. The Bond Trustee is entitled to delegate its duties to other professional parties.

16.4 Expenses, liability and indemnity

- (a) The Bond Trustee will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss. Irrespective of the foregoing, the Bond Trustee shall have no liability to the Bondholders for damage caused by the Bond Trustee acting in accordance with instructions given by the Bondholders in accordance with these Bond Terms.
- (b) The Bond Trustee will not be liable to the Issuer for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss.
- (c) Any liability for the Bond Trustee for damage or loss is limited to the amount of the Outstanding Bonds. The Bond Trustee is not liable for the content of information provided to the Bondholders by or on behalf of the Issuer or any other person.
- (d) The Bond Trustee shall not be considered to have acted negligently in:
 - (i) acting in accordance with advice from or opinions of reputable external experts; or
 - (ii) taking, delaying or omitting any action if acting with reasonable care and provided the Bond Trustee considers that such action is in the interests of the Bondholders.

- (e) The Issuer is liable for, and will indemnify the Bond Trustee fully in respect of, all losses, expenses and liabilities incurred by the Bond Trustee as a result of negligence by the Issuer (including its directors, management, officers, employees and agents) in connection with the performance of the Bond Trustee's obligations under the Finance Documents, including losses incurred by the Bond Trustee as a result of the Bond Trustee's actions based on misrepresentations made by the Issuer in connection with the issuance of the Bonds, the entering into or performance under the Finance Documents, and for as long as any amounts are outstanding under or pursuant to the Finance Documents.
- (f) The Issuer shall cover all costs and expenses incurred by the Bond Trustee in connection with it fulfilling its obligations under the Finance Documents. The Bond Trustee is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents. The Bond Trustee's obligations under the Finance Documents are conditioned upon the due payment of such fees and indemnifications. The fees of the Bond Trustee will be further set out in the Bond Trustee Fee Agreement.
- (g) The Issuer shall on demand by the Bond Trustee pay all costs incurred for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event or circumstance which the Bond Trustee reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or any Finance Document which the Bond Trustee reasonably believes may constitute or lead to a breach of any Finance Document or otherwise be detrimental to the interests of the Bondholders under the Finance Documents.
- (h) Fees, costs and expenses payable to the Bond Trustee which are not reimbursed in any other way due to an Event of Default, the Issuer being Insolvent or similar circumstances pertaining to any Obligor, may be covered by making an equal reduction in the proceeds to the Bondholders hereunder of any costs and expenses incurred by the Bond Trustee or the Security Agent in connection therewith. The Bond Trustee may withhold funds from any escrow account (or similar arrangement) or from other funds received from the Issuer or any other person, irrespective of such funds being subject to Transaction Security, and to set-off and cover any such costs and expenses from those funds.
- (i) As a condition to effecting any instruction from the Bondholders (including, but not limited to, instructions set out in Clause 14.3 (*Bondholders' instructions*) or Clause 15.2 (*Procedure for arranging a Bondholders' Meeting*)), the Bond Trustee may require satisfactory Security, guarantees and/or indemnities for any possible liability and anticipated costs and expenses from those Bondholders who have given that instruction and/or who voted in favour of the decision to instruct the Bond Trustee.

16.5 Replacement of the Bond Trustee

- (a) The Bond Trustee may be replaced by a majority of 2/3 of Voting Bonds in accordance with the procedures set out in Clause 15 (*Bondholders' Decisions*), and the Bondholders may resolve to replace the Bond Trustee without the Issuer's approval.
- (b) The Bond Trustee may resign by giving notice to the Issuer and the Bondholders, in which case a successor Bond Trustee shall be elected pursuant to this Clause 16.5, initiated by the retiring Bond Trustee.

- (c) If the Bond Trustee is Insolvent, or otherwise is permanently unable to fulfil its obligations under these Bond Terms, the Bond Trustee shall be deemed to have resigned and a successor Bond Trustee shall be appointed in accordance with this Clause 16.5. The Issuer may appoint a temporary Bond Trustee until a new Bond Trustee is elected in accordance with paragraph (a) above.
- (d) The change of Bond Trustee shall only take effect upon execution of all necessary actions to effectively substitute the retiring Bond Trustee, and the retiring Bond Trustee undertakes to co-operate in all reasonable manners without delay to such effect. The retiring Bond Trustee shall be discharged from any further obligation in respect of the Finance Documents from the change takes effect, but shall remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Bond Trustee. The retiring Bond Trustee remains entitled to any benefits and any unpaid fees or expenses under the Finance Documents before the change has taken place.
- (e) Upon change of Bond Trustee, the Issuer shall co-operate in all reasonable manners without delay to replace the retiring Bond Trustee with the successor Bond Trustee and release the retiring Bond Trustee from any future obligations under the Finance Documents and any other documents.

16.6 Security Agent

- (a) The Bond Trustee is appointed to act as Security Agent for the Bonds, unless any other person is appointed. The main functions of the Security Agent may include holding Transaction Security on behalf of the Secured Parties and monitoring compliance by the Issuer and other relevant parties of their respective obligations under the Transaction Security Documents with respect to the Transaction Security on the basis of information made available to it pursuant to the Finance Documents.
- (b) The Bond Trustee shall, when acting as Security Agent for the Bonds, at all times maintain and keep all certificates and other documents received by it, that are bearers of right relating to the Transaction Security in safe custody on behalf of the Bondholders. The Bond Trustee shall not be responsible for or required to insure against any loss incurred in connection with such safe custody.
- (c) Before the appointment of a Security Agent other than the Bond Trustee, the Issuer shall be given the opportunity to state its views on the proposed Security Agent, but the final decision as to appointment shall lie exclusively with the Bond Trustee.
- (d) The functions, rights and obligations of the Security Agent may be determined by a Security Agent Agreement to be entered into between the Bond Trustee and the Security Agent, which the Bond Trustee shall have the right to require each Obligor and any other party to a Finance Document to sign as a party, or, at the discretion of the Bond Trustee, to acknowledge. The Bond Trustee shall at all times retain the right to instruct the Security Agent in all matters, whether or not a separate Security Agent Agreement has been entered into.

- (e) The provisions set out in Clause 16.4 (*Expenses, liability and indemnity*) shall apply *mutatis mutandis* to any expenses and liabilities of the Security Agent in connection with the Finance Documents.

17. AMENDMENTS AND WAIVERS

17.1 Procedure for amendments and waivers

- (a) The Issuer and the Bond Trustee (acting on behalf of the Bondholders) may agree to amend the Finance Documents or waive a past default or anticipated failure to comply with any provision in a Finance Document, provided that:

 - (ii) such amendment or waiver is required by applicable law, a court ruling or a decision by a relevant authority; or
 - (iii) such amendment or waiver has been duly approved by the Bondholders in accordance with Clause 15 (*Bondholders' Decisions*).

If so desired by the Bond Trustee, any or all of the Transaction Security Documents shall be amended, assigned or re-issued, so that the Security Agent is the holder of the relevant Security (on behalf of the Bondholders). The costs incurred in connection with such amendment, assignment or re-issue shall be for the account of the Issuer.

17.2 Authority with respect to documentation

If the Bondholders have resolved the substance of an amendment to any Finance Document, without resolving on the specific or final form of such amendment, the Bond Trustee shall be considered authorised to draft, approve and/or finalise (as applicable) any required documentation or any outstanding matters in such documentation without any further approvals or involvement from the Bondholders being required.

17.3 Notification of amendments or waivers

- (a) The Bond Trustee shall as soon as possible notify the Bondholders of any amendments or waivers made in accordance with this Clause 17, setting out the date from which the amendment or waiver will be effective, unless such notice according to the Bond Trustee's sole discretion is unnecessary. The Issuer shall ensure that any amendment to these Bond Terms is duly registered with the CSD.
- (b) Prior to agreeing to an amendment or granting a waiver in accordance with paragraph (a)(i) of Clause 17.1 (*Procedure for amendments and waivers*), the Bond Trustee may inform the Bondholders of such waiver or amendment at a relevant information platform.

Subject to the exceptions set out below, the Security Agent will act in accordance with Enforcement Instructions received from the Majority Pari Passu Creditors.

If (a) the Majority Pari Passu Creditors have not either (i) made a determination as to the method of enforcement they wish to instruct the Security Agent to pursue (and notified the Security Agent of that determination in writing) or (ii) appointed a financial adviser to assist them in making such a determination, in each case within three months of the date of the Initial Enforcement Notice or (b) the discharge date of the Super Senior Creditors has not occurred within six months of the date of the Initial Enforcement Notice, then the Security Agent will act in accordance with Enforcement Instructions received from the Majority Super Senior Creditors until that discharge date has occurred.

If an insolvency event is continuing with respect to a Debtor or the Parent, then the Security Agent will, to the extent the Majority Super Senior Creditors elect to provide such Enforcement Instructions, act in accordance with Enforcement Instructions received from the Majority Super Senior Creditors until the discharge date of the Super Senior Creditors has occurred.

If the Majority Pari Passu Creditors have not either (a) made a determination as to the method of enforcement they wish to instruct the Security Agent to pursue (and notified the Security Agent of that determination in writing) or (b) appointed a financial adviser to assist them in making such a determination, and the Majority Super Senior Creditors (i) determine in good faith (and notify the other creditor representatives, the Hedge Counterparties and the Security Agent) that a delay in issuing Enforcement Instructions could reasonably be expected to have a material adverse effect on the ability to effect a distressed disposal or on the expected realisation proceeds of any enforcement and (ii) deliver Enforcement Instructions which they reasonably believe to be consistent with section “Enforcement principles” below before the Security Agent has received any Enforcement Instructions from the Majority Pari Passu Creditors, then the Security Agent will act in accordance with the Enforcement Instructions received from the Majority Super Senior Creditors until the discharge date of the Super Senior Creditors has occurred.

<p>Manner of enforcement:</p>	<p>If the Transaction Security is being enforced, the Security Agent shall enforce the Transaction Security in such manner as the Instructing Group shall instruct (provided that such instructions are consistent with section “Enforcement principles” below) or, in the absence of any such instructions, as the Security Agent considers in its discretion to be appropriate and consistent with those principles.</p> <p>The other Secured Parties shall not have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any right, power, authority or discretion arising under the documents evidencing the terms of the Transaction Security except through the Security Agent.</p>
<p>Non-distressed disposals:</p>	<p>If a disposal of an asset is a non-distressed disposal, the Security Agent shall be irrevocably authorised to, among others, release the Transaction Security or any claim over the relevant asset or the relevant Group Company’s other property.</p> <p>If any disposal proceeds are required to be applied in mandatory prepayment of the Credit Facility Liabilities or the Pari Passu Debt Liabilities, then those disposal proceeds shall be applied in accordance with the Debt Documents and the consent of any other party shall not be required for that application.</p>
<p>Distressed disposals:</p>	<p>If a disposal of an asset is a distressed disposal, the Security Agent shall be irrevocably authorised:</p> <ul style="list-style-type: none"> (a) to release the Transaction Security and any other claim over the relevant asset; and (b) if the relevant asset consists of shares or ownership interests in a Debtor or a holding company of a Debtor (each, a “Disposed Entity”), (i) to release any Transaction Security granted by the Disposed Entity, or any subsidiary of the Disposed Entity, over any of its assets, (ii) to release the Disposed Entity, or any subsidiary of the Disposed Entity, from all or any part of its liabilities, (iii) to release any other claim of any Creditor, the Parent or another Debtor over that Disposed Entity’s assets or over the assets of any subsidiary of that Disposed Entity, (iv) to release the Disposed Entity, any subsidiary of the Disposed Entity, any other Group Company and the Parent from all or any part of its liabilities arising out of or in connection with that distressed disposal, or dispose of all or any part of those liabilities, (v) to dispose of all or any part of the liabilities owing by the Disposed Entity, or any subsidiary of the Disposed Entity, (vi) to dispose of all or any part of the liabilities owing to the Disposed Entity, or any subsidiary of the Disposed Entity and/or (vii) to transfer to another Debtor all or any

	<p>part of the obligations of the Disposed Entity, or any Subsidiary of the Disposed Entity, in respect of any Intra-Group Liabilities,</p> <p>in each case, (A) that may, in the discretion of the Security Agent, be considered necessary or desirable and (B) on behalf of the relevant Creditors, Secured Parties and Debtors and the Parent, and the Security Agent shall be irrevocably authorised to enter into, execute, file and deliver any document or instrument needed to effect any such release, disposal or transfer. For the avoidance of doubt, any transferee in respect of any such disposal or transfer referred to above will not be treated as a Primary Creditor or a Secured Party for the purposes of the Intercreditor Agreement (unless the contrary is explicitly confirmed in writing to such transferee by the Security Agent).</p> <p>The net proceeds of each distressed disposal (and each debt disposal) shall be paid, or distributed, to the Security Agent for application in accordance with section “Application of proceeds” below.</p> <p>For the purposes of distressed disposals, the Security Agent (a) shall act on the instructions of the Instructing Group, or in the absence of any such instructions, as the Security Agent sees fit and (b) may engage, or approve the engagement of, pay for and rely on the services of a financial adviser in accordance with section “Enforcement principles” below.</p>
<p>Application of proceeds:</p>	<p>All amounts from time to time received or recovered by the Security Agent (a) pursuant to the terms of any Debt Document, (b) in connection with the realisation or enforcement of all or any part of the Transaction Security or (c) in connection with the making of any demand under any Guarantee shall be applied by the Security Agent in the following order of priority:</p> <ul style="list-style-type: none"> (i) in discharging any sums owing to the Security Agent, any receiver, any delegate or any other creditor representatives (for its own account); (ii) in payment or distribution to: <ul style="list-style-type: none"> (A) the Credit Facility Agent on its own behalf and on behalf of the Credit Facility Creditors for application towards the discharge of the Credit Facility Liabilities up to an aggregate maximum amount equal to the Credit Facility Liabilities Maximum Amount; and (B) the Super Senior Hedge Counterparties for application towards the Super Senior Hedging Liabilities, <p>in each case, on a <i>pro rata</i> basis;</p>

	<p>(iii) in payment or distribution to:</p> <p>(A) the creditor representatives in respect of any Pari Passu Debt Liabilities on its own behalf and on behalf of the Pari Passu Creditors for which it is the creditor representative for application towards the Pari Passu Debt Liabilities; and</p> <p>(B) the Pari Passu Hedge Counterparties for application towards the Pari Passu Hedging Liabilities,</p> <p>in each case, on a <i>pro rata</i> basis;</p> <p>(iv) if none of the Debtors is under any further actual or contingent liability under any document evidencing the terms of any Credit Facility Liabilities, Hedging Liabilities or Pari Passu Debt Liabilities, in payment or distribution to any person to whom the Security Agent is obliged to pay or distribute in priority to any Debtor; and</p> <p>(v) the balance, if any, in payment or distribution to the relevant Debtor,</p> <p>subject to certain customary exceptions in respect of prospective liabilities and treatment of cash cover in respect of any Credit Facility.</p>
<p>Enforcement principles:</p>	<p>The main enforcement principles are as follows:</p> <p>(a) it shall be the primary and over-riding aim of any enforcement of any Transaction Security to maximise, to the extent consistent with a prompt and expeditious realisation of value, the value realised from any such enforcement;</p> <p>(b) the Security Agent shall be under no obligation to appoint a financial adviser or to seek the advice of a financial adviser unless expressly required to do so by the Intercreditor Agreement; and</p> <p>(c) any fairness opinion from a financial adviser will be conclusive evidence that the enforcement objective set out above has been met.</p>
<p>Equalisation:</p>	<p>If for any reason:</p> <p>(a) any Guarantee or Transaction Security is created in favour of one or more Secured Parties (other than the Security Agent (on behalf of all the Secured Parties)); and/or</p> <p>(b) the terms of any Guarantee or Transaction Security provide that such Guarantee or Transaction Security only guarantees or secures the Liabilities owing to one or more Secured Parties (but not all of the Secured Parties),</p>

	<p>and this results in any of the Secured Parties receiving less proceeds from the making of any claim under, or the enforcement of, any such Guarantee or Transaction Security, than it would have done if:</p> <ul style="list-style-type: none"> (i) such Guarantee or Transaction Security had instead been created in favour of the Security Agent (on behalf of all the Secured Parties); and/or (ii) the terms of such Guarantee or Transaction Security had instead provided that such Guarantee or Transaction Security guarantees or secures the Liabilities owing to all the Secured Parties, <p>in each case, to the extent and in the manner contemplated by the Intercreditor Agreement, then the Secured Parties shall, within three Business Days of being requested to do so by the Security Agent, make such payments amongst themselves as the Security Agent shall require to put the Secured Parties in such a position as they would have been in (in accordance with the other terms of the Intercreditor Agreement, including, but not limited to, section “Application of proceeds” above) had such Guarantee or Transaction Security instead been granted or created as set out in paragraphs (i) and (ii) above.</p>
