Íslandsbanki hf.: Conclusion of the Supreme Court – initial impact assessment

Reference is made to a release by Íslandsbanki (the Bank) on 14 October 2025, on the ruling of the Supreme Court of Iceland in case no. 55/2024 concerning a dispute on variable interest on a non-index linked mortgage. According to the Bank's initial impact assessment following the Supreme Court's ruling the impact is estimated to be less than ISK 1 billion, pre-tax.
