

## Harri Sara, VP of Geotechnical Solutions, steps down; Andrzej Rokosz will join ViaCon to take on VP role

ViaCon's VP of Geotechnical Solutions, Harri Sara, has decided to step down from his current role within the organization as well as the executive team. He will stay within ViaCon Group and take on the role of Senior Director, Plastic Pipes, Geotechnical Solutions which is a key step to further develop the Business Unit.

We are very happy to announce and welcome Andrzej Rokosz as the new VP of Business Unit Geotechnical as of June 5, 2023. Based in Warsaw, Poland, Andrzej comes to ViaCon from Logstor, where he served as VP of Sales for Central Europe. He will support the strategic aims of the business unit and company overall while ensuring business continuity.

We wish to express our gratitude to Harri for his contributions in the VP role during the past three years, and we look forward to welcoming Andrzej to the ViaCon team

**About Us**

---

**ViaCon constructs connections. Consciously.**

ViaCon was founded in 1986 with establishments in Sweden and Norway and is a market-leading European provider of sustainable civil engineering corrugated steel structures, geo-technical, and storm-water solutions. ViaCon has a comprehensive local market know-how and manufacturing footprint, with presence in 19 countries and employing ~800 people.

Combining more than three decades of experience with today's cutting-edge technology, ViaCon is a pioneer in the field of Bridges & Culverts-, GeoTechnical- and StormWater Solutions, which make up the three business units in the Company.

ViaCon offers its customers a host of distinct state-of-the-art, mission-critical solutions for various infrastructure products and solutions that are reliable, long-lasting and designed to meet the challenges of a changing world.

ViaCon is owned by funds advised by FSN Capital Partners, a leading private equity advisor in Northern Europe.
