About Byggfakta Group

Byggfakta Group is a global data and software company with roots stretching back to 1936, more than 2,000 employees and operations in 26 countries. We offer services that connect the construction sector, thereby increasing total growth and promoting better construction. Our unique data, insights and software solutions help customers to maximise sales, increase efficiency and build more sustainably. Our core operations encompass five areas: Project Information, Specification, Market Intelligence, Product Information and E-tendering. We mainly generate subscription revenue, which currently exceeds SEK 2 billion annually. Our goal is to grow organically by 10% per year and to grow an additional 5–15% per year through acquisitions. Byggfakta Group has been listed on Nasdaq Stockholm since 2021.
