### **ABOUT RESURS**

Resurs is a leading bank in the Nordics with a simple philosophy: we want to create balance in people's personal finances. On that foundation, we develop offers and services within loans, savings and payments for retail and e-commerce that are based on people's everyday lives, and that will create long-term value for our customers. And for society. Today, we have a customer base of slightly more than 6 million customers and 645 employees in the Nordic region.
