# Zordix IP 'Bramble: The Mountain King' Playable Now in PlayStation® Demo Fest

**Umeå, Sweden (December 9, 2022) – Zordix AB (Publ)'s (Nasdaq: ZORDIX B) publisher Merge Games and inhouse Swedish developer Dimfrost Studio are excited to reveal upcoming horror-inspired grim adventure 'Bramble: The Mountain King' has released the Näcken's Pond demo on PlayStation®5 as part of PlayStation's Demo Festival.**

The demo originally launched on Steam and received overwhelming support from content creators who pushed Bramble to the top trending game on YouTube over Halloween weekend.

"We are grateful to be one of the four initial games chosen for the PlayStation®Demo Fest placing 'Bramble: The Mountain King' in the spotlight, which is well-deserved. Through this demo, gamers now have the opportunity to see one of our first releases from the roadmap of the integrated company," says Christina Seelye, CEO of Zordix.

'Bramble: The Mountain King' is set for a 2023 release on PC, PlayStation®5, Xbox X|S and Nintendo Switch. The game draws on the powerful creatures and rich fables of Nordic mythology to spin a unique tale of one boy's courage in the face of sinister creatures and maddening darkness.

Known as the Dancing Fool, a creature borne of sadness, shame and seeking revenge, the first Bramble Origins trailer explores the history of Näcken. Giving players a taste of the beast they're set to face in the latest demo, learn more about the man-turned-monster, lurking beneath the dark waters of the woods.
