

W5 Solutions signs contract worth SEK 40 million with a European defence agency

W5 Solutions business area Integration has signed a contract for platform integration worth SEK 40 million, including an additional option of SEK 15 million, with a European defence agency. The contract comprises design and development of a system solution as well as platform integration. Deliveries are planned for 2025 and 2026.

"This first stand-alone contract for platform integration is an important milestone. We come from a long history of systems integration, and are well prepared for this next strategic step as an agnostic provider of platform integration ", says Gunilla Stomberg, Head of Business Area Integration, W5 Solutions.

About W5 Solutions

W5 Solutions' vision is to become the leading global provider of sustainable defence technology. The company develops and delivers cutting-edge solutions that strengthen both its own forces and those of its allies. Their solutions in Integration, Training and Power are designed with a focus on sustainability and innovation, making them a reliable partner for defence and security agencies worldwide.

Founded in 2018, with a heritage dating back to 1940, W5 Solutions is headquartered in Stockholm.
