Gaming Corps AB (publ) (the "Company" or "Gaming Corps") today announces that it has entered into a global distribution agreement with Games Global, one of the iGaming industry's leading content suppliers. Through the partnership, Gaming Corps further executes on its commercial strategy by significantly expanding the global reach of its portfolio through one of the industry's largest distribution networks in regulated markets.

Games Global powers hundreds of online casinos across regulated markets and has one of the industry's largest networks of iGaming content studios, comprising more than 30 in-house and partnered studios and a portfolio of over 1,400 proprietary games. It not only expands the global reach of our content but also demonstrates the confidence leading distribution partners place in the quality and diversity of our games. We're excited to begin this collaboration and see our titles reach new operators and players worldwide, further supporting our long-term strategy of growing with trusted partners in key regulated jurisdictions," says Juha Kauppinen, CEO of Gaming Corps.
