NIBE Industrier moves Group and investor information to nibegroup.com
To strengthen the distinction between the Group's corporate presence and NIBE's commercial offering, the Group website moved to nibegroup.com on October 15. The change enables nibe.com to focus on NIBE's European heat pump business, while corporate information will be available at the new address.

The information was submitted for publication, through the agency of the persons below, at 11.00 AM CET on 6 November 2026.

About Us
NIBE Group
– an international Group with companies and a presence worldwide

The NIBE Group is an international company that contributes to a reduced carbon footprint and better utilization of energy. In our three business areas – Climate Solutions, Element and Stoves – we develop, manufacture and market a wide range of environmentally friendly, energy-efficient solutions for indoor climate comfort in all types of properties, plus components and solutions for intelligent heating and control in industry and infrastructure.

Since its beginnings in the town of Markaryd in the Swedish province of Småland more than 70 years ago, NIBE has grown into an international company with an average of 20,500 (20,600) employees and an international presence. From the very start, the company has been driven by a strong culture of entrepreneurship and a passion for corporate responsibility. Its success factors are long-term investments in sustainable product development and strategic acquisitions. Combined, these factors have brought about strong, targeted growth, which generated sales exceeding SEK 40,8 (40) billion in 2025.

NIBE has been listed under the name NIBE Industrier AB on the Nasdaq Stockholm Large Cap list since 1997, with a secondary listing on the SIX Swiss Exchange since 2011.
