
Kontigo Care - Transitioning to a MedTech product platform company

Redeye has updated its near-term estimates and valuation following the Q1 report. Kontigo Care has transitioned from an R&D-centric organisation into a commercially driven MedTech product company, aiming to scale its MDR-certified eHealth platform across multiple markets and segments. Although tangible results from intensified sales efforts are still pending, momentum is building as the company navigates prolonged sales cycles and ongoing macroeconomic headwinds.
