

## Shadows of Doubt now launched into 1.0 together with new content

**the award-winning game Shadows of Doubt is an immersive crime-solving sim that puts players in the role of a private investigator. The game has now launched into 1.0, with all new content and is now available on PS5, Xbox X|S and PC.**

Explore fully simulated cities and meet individual citizens each with their own name, job, apartment and daily routine. Use gadgets to uncover evidence, track down criminals and crack each case in a city where anybody could be a suspect. Scan fingerprints, browse call logs, read private emails, check CCTV, pick locks, and sabotage security systems. With multiple ways to solve each case, become the detective that you want to be.
