Important information

The information in this press release does not contain or constitute an offer to acquire, subscribe or otherwise trade in shares or other securities in the Company. No action has been taken and no measures will be taken to permit a public offering in any jurisdictions other than Sweden.

This release is not a prospectus in accordance with the definition in Regulation (EU) 2017 /1129 and has not been approved by any regulatory authority in any jurisdiction. This announcement does not identify, or purport to identify, risks (direct or indirect) that may be associated with an investment in shares or other securities in the Company.

The information in this press release may not be released, distributed or published, directly or indirectly, in or into the United States of America, Australia, Japan, Canada, Hong Kong, New Zealand, Switzerland, Singapore, South Africa or any other jurisdiction in which such action would be unlawful or would require registration or any other measures than those required by Swedish law. Actions in violation of these restrictions may constitute a violation of applicable securities laws. No shares or other securities in the Company have been registered, and no shares or other securities will be registered, under the United States Securities Act of 1933, as amended (the "Securities Act") or the securities legislation of any state or other jurisdiction in the United States of America and no shares or other securities may be offered, sold or otherwise transferred, directly or indirectly, in or into the United States of America, except under an available exemption from, or in a transaction not subject to, the registration requirements under the Securities Act and in compliance with the securities legislation in the relevant state or any other jurisdiction of the United States of America.

In the United Kingdom, this press release and any other materials in relation to the securities described herein is only being distributed to, and is only directed at, and any investment or investment activity to which this press release relates is available only to, and will be engaged in only with, "qualified investors" (within the meaning of the United Kingdom version of the EU Prospectus Regulation (2017/1129/ EU) which is part of United Kingdom law by virtue of the European Union (Withdrawal) Act 2018) who are (i) persons having professional experience in matters relating to investments who fall within the definition of "investment professionals" in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order"); (ii) high net worth entities etc. falling within Article 49(2)(a) to (d) of the Order; or (iii) such other persons to whom such investment or investment activity may lawfully be made available under the Order (all such persons together being referred to as "relevant persons"). In the United Kingdom, any investment or investment activity to which this communication relates is available only to, and will be engaged in only with, relevant persons. Persons who are not relevant persons should not take any action on the basis of this press release and should not act or rely on it.

About us

Coala-Life Group AB ("Coala Life" or the "Company") founded in 2015, is a Cloud Based Software as a Service provider, and medical device developer and reseller, listed on Nasdaq First North Growth Market. The Company focuses on B2B solutions for managed Remote Patient Monitoring ("RPM"), offering medical care providers, primarily in the US, with a highly scalable, cost-efficient platform to remotely and virtually manage large volumes of patients suffering from chronic diseases. The company offers care providers a comprehensive solution and lifts the administrative work from the care providers regarding, amongst other things, follow-up, 24/7 monitoring, as well as the reimbursement process from state and private health insurance companies. Patients are monitored long-term in everyday life and typically have diabetes, obesity, and /or cardiovascular disease.
