Buybacks of shares in Enea during October 11 – October 15, 2021

During the period October 11 – October 15, 2021, Enea AB (publ) has repurchased in total 5 750 own shares (ISIN: SE0009697220) as part of the share buyback program initiated by the Board of Directors to secure delivery of shares in the share related incentive program.

The share buybacks form part of the buyback program, which Enea announced on July 16, 2021. The share buyback program, which runs between July 19, 2021 to March 31, 2022, is being carried out in accordance with the EU Market Abuse Regulation (MAR) and Commission Delegated Regulation 2016/1052 (the so-called Safe Harbour Regulation). Shares in Enea have been repurchased as follows:

Date	Aggregated daily volume (number of shares)	Weighted average share price per day	Total daily transaction value
11/10 /2021	1 200	216.7500	260,100.00
12/10 /2021	1 500	216.9667	325,450.05
13/10 /2021	800	220.2500	176,200.00
14/10 /2021	1 200	228.3750	274,050.00
15/10 /2021	1 050	224.8095	236,049.98

All acquisitions have been carried out on Nasdaq Stockholm by DNB on behalf of Enea. Following the above acquisitions, Enea's holding of own shares amounts to 89 338 as of October 15, 2021. The total number of shares in Enea, including the own shares, is 21,615,231, and the number of outstanding shares, excluding the own shares, is 21,525,893. A full breakdown of the transactions is attached to this announcement.
