

## Invitation to webcast in connection with Year end report 2021

Momentum Software Group's Year end report for January-December 2021 will be published on Monday February 14 at 08:00 CET. The report and further information will be available at the website [group.momentum.se](https://group.momentum.se).

The same day at 09:30 CET, the report will be presented at a webcast where Momentum's CEO, Richard Durlow, and CFO, Malin Helleryd, will comment on the report and answer questions. The presentation will be in English.
