

OPTICEPT SIGNS ADDITIONAL RENTAL AGREEMENT WITH OLIVE OIL PRODUCER IN SPAIN

OptiCept Technologies (ticker: OPTI) has signed a lease agreement with Finca Duernas, located in Cordoba, Andalusia. The customer will rent an Opticept PEF system for the 2024-2025 season. The contract includes a purchase option, and the machine is expected to be in production from September.

Finca Duernas is an ancient olive oil producer whose history dates back to the 13th century. The current owner is a family business that runs a modern production with a focus on organic products. Today, Finca Duernas exports to 20 countries and has won many international awards in Europe, the USA and Asia.

"We are very proud to add another customer to our existing customer base in Andalusia. OptiCept's technology is now well established in the heart of the world's olive oil production. We and our new customers are looking forward to what promises to be a good harvest this season," says Thomas Lundqvist, CEO of OptiCept Technologies.
