About Mips

Mips specializes in helmet-based safety and is a world-leader in this area. Based on an ingredient brand business-model, Mips' safety system is sold to the global helmet industry. The technology is based on over 25 years of research and development together with the Royal Institute of Technology and the Karolinska Institute, both located in Stockholm, Sweden. Mips' headquarter with 81 employees engaged in research and development, sales, marketing and administration is in Stockholm, where its product and technology test facility also is located. The Mips share is listed on Nasdaq Stockholm. For more information: www.mipscorp.com
