# Intergalactic Strategy Shooter Wild Bastards is Out Now

**Stockholm, Sweden (September 12, 2024) – Maximum Entertainment AB (Nasdaq: MAXENT B) today announced the release of Wild Bastards, a strategy shooter set in an intergalactic western-inspired world and developed by Blue Manchu.**

In this long-awaited sequel to Void Bastards, players will lead a ragtag crew of outlaws through the galaxy as they flee from magnate Jebediah Chaste. Gamers will get to test their tactical expertise in *Wild Bastards* across PC, Xbox Series X|S, PlayStation 5 and Nintendo Switch: [https://store.steampowered.com/app/1660840/Wild\\_Bastards/](https://store.steampowered.com/app/1660840/Wild_Bastards/)

“We are thrilled to deliver another highly anticipated game from our 2024 lineup,” said **Christina Seelye, CEO of Maximum Entertainment**. “Wild Bastards is an exciting addition to our portfolio that mixes humor, strategy, and a very unique art style, which has already piqued the interest of gamers and the media alike.”

Today’s news was accompanied by a gripping trailer showcasing the crew in action. If they hope to make it out alive, the game’s 13 playable outlaws will need to utilize their rare abilities to make their way through a variety of strategic shootouts: <https://youtu.be/3Ay2BzDEUAg>

Amass a gang of 13 playable and uniquely talented criminals, manage the relationships between them, and guide their growth. Juggle injuries and feuds while plotting a planetary path and, of course, shooting anyone or anything who gets in the way. Prevailing through *Wild Bastards*’ campaign also unlocks a Challenge Mode which adds modifiers and a steadily ramping challenge to keep outlaws on their toes.
