Instalco Signs Multi-Year Scaffolding Contract

The Instalco company Enter Ställningar has entered into a multi-year agreement with Sysav (Sydskåne Waste Company) for ongoing scaffolding assembly. The contract, with an order value of approximately 130 million SEK, spans from autumn 2024 to 2032.

Sysav, owned by 14 municipalities in Skåne, is responsible, together with the owner municipalities, for the management, recycling, and treatment of household waste in the region in an environmentally and efficient manner. The scaffolding from Enter Ställningar will be used during revisions, projects, and maintenance work.

"We are happy and proud to receive renewed trust from Sysav. This long-term joint project is a testament to our strong partnership and our commitment to delivering safe and high-quality solutions," says Lembit Laks, CEO of Enter Ställningar.

The Instalco company Enter Ställningar offers a full-service concept within construction and industrial scaffolding with a strong focus on workplace safety. Their services include drafting designs, calculations, assembly, and rental of scaffolding structures.
