

W5 Solutions Publishes Webcast Presentation of Q2 2025 Interim Report

W5 Solutions has today published a webcast presentation of its interim report for the second quarter of 2025. CEO Evelina Hedskog presents key events and business developments during the period, together with CFO Cecilia Driving who outlines the financial performance. The presentation concludes with a Q&A session.

Watch the presentation here: [Q2 2025 Webcast Presentation](#)

The presentation, held in English, offers investors, analysts and media deeper insights into W5 Solutions' development during the second quarter as well as the first half of 2025.

Additional information, including financial reports and regulatory announcements, is available on the company's investor page: <https://w5solutions.com/investor-relations/>

About W5 Solutions

W5 Solutions' vision is to become the leading global provider of sustainable defence technology. The company develops and delivers cutting-edge solutions that strengthen both its own forces and those of its allies. Their solutions in Training, Power, and Integration are designed with a focus on sustainability and innovation, making them a reliable partner for defence and security agencies worldwide.

Founded in 2018, with a heritage dating back to 1940, W5 Solutions is headquartered in Stockholm.
