ICELANDAIR: PILOTS ANNOUNCE STRIKE ACTION

The Icelandic Airline Pilots Association (FÍA) representing pilots employed by Icelandair has announced an indefinite strike action commencing at 00:01 on 20 November 2026, which will affect Icelandair's charter operations abroad. The strike will not directly affect Icelandair's passenger network operations. At this stage, the potential financial impact of the strike on Icelandair Group cannot be determined.
