About us

Coala Life is a medical device company founded in Sweden focusing on cloud-based cardiac and pulmonary diagnostics. The company has developed and launched the Coala Heart Monitor - a multi-award winning, FDA-cleared and CE-approved product platform enabling long-term remote monitoring, analysis and algorithm-based diagnostics of heart and lungs in real-time. The Coala Heart Monitor is mainly marketed to healthcare providers as an Rx solution for use in patient's everyday life and home environment. The company's solutions are based on over 10 years of R&D, and are protected by more than 30 patents. The head office is based in Uppsala, Sweden and since 2019, the US office is based in Irvine, California. More than 350 care providers and 1,000 doctors are connected to the Coala Care Portal.
