

Chordate CEO Anders Weilandt to give presentation at Life Science Day on March 8th

Chordate Medical is one of the companies participating at this years' Life Science Day in Gothenburg on March 8th. Chordate CEO Anders Weilandt will present the company and how K.O.S can become a global and valuable treatment option for people with chronic migraines.

The Life Science day takes place at the Wallenberg conference center next to Sahlgrenska in Gothenburg and consists of presentations by 15 companies active in the Life Science and Medtech sector, as well as professors and researchers.

The event is live streamed and can be seen afterwards at <https://www.lifesciencedagen.se/>
