

CLARIFICATION REGARDING THE PROCESS OF CEO RECRUITMENT

As an earlier statement from Olof Hallrup, Chairman of the Board of Fortnox, may have been interpreted as a new CEO will be appointed within two weeks, the Board of Directors hereby makes the following clarification.

The process of recruiting a permanent CEO for Fortnox has been ongoing since August 2024. This work has been done together with a reputable recruitment firm. The process of recruiting a permanent CEO is conducted diligently and it is natural that the process to find a suitable candidate takes time. The Board has full confidence in the current leadership under Roger Hartelius.

At present, it is not possible to give an exact time frame for when the recruitment process will be completed, and the recruitment process will also have to take into account the public offer presented today. When a recruitment is completed, the company will communicate this in good order.
