

## Trading Update from H100 Group AB

H100 Group AB (“H100 Group” or the “Company”) is hereby providing a trading update, including preliminary and unaudited key financial figures for the full fiscal year 2024/2025, ending 30 April 2025.

Preliminary and unaudited key financial figures for H100 Group AB (formerly operating as eBlitz Group AB until 7 April 2025)

- **Total revenue:** SEK 3,044,692 in full year 2024/2025.
- **Operating result:** SEK -9,503,305 in full year 2024/2025.
- **Net result before tax:** SEK -16,825,227 in full year 2024/2025.

It should be noted that the preliminary figures primarily relate to the now discontinued business of eBlitz (Healthy to 100 AS consolidated from 7 April to 30 April 2025) and are impacted by transaction and listing-related costs associated with the Company's reverse merger with Healthy to 100 AS, as well as write downs of eBlitz original venture investment portfolio. The numbers are currently under review by the Company's auditors and changes and reclassifications may occur.

After completion of the quarter, H100 Group has also acquired in total approximately 6.25 Bitcoins and entered into a convertible loan agreement of SEK 21 million, which also will have significant impact on the balance sheet of the Group going forward.

The financial figures presented in this press release are preliminary and unaudited. The Company's full report for the fiscal year 2024/2025 ending 30 April 2025 will be published in full on 11 June 2025.
