

LL Lucky Games changes liquidity provider from Carnegie to Lago Kapital

LL Lucky Games AB (publ) ("Lucky Games" or "Company") has terminated its existing liquidity provider agreement with Carnegie Investment Bank and decided to appoint Lago Kapital Ltd ("Lago") as its new liquidity provider. The agreement with Lago will commence on 1.5.2024.

Lago will provide liquidity for the share listed at Nasdaq First North Growth Market Stockholm in accordance with the framework for Nasdaq Stockholm's rules for liquidity providing. The intention is to promote liquidity in the share and lower the volatility.
