Save the date: Presentation of Stillfront's full-year 2022 results and Capital Markets Day

Stillfront will publish its full-year 2022 results on Wednesday 15 February 2023. On the same day, Stillfront will host a digital Capital Markets Day.

Stillfront Group will report its fourth quarter and full-year 2022 results on Wednesday 15 February 2023 at 07:00 CET. The report will be presented in a live webcast at 10:00 CET the same day, as usual.

In the afternoon on the same day, Stillfront will host a digital Capital Markets Day between 15:00 – 17:30 CET. The Capital Markets Day provides an opportunity for investors, financial analysts, and financial media to get an update on the strategy and development of Stillfront.

The event will include presentations by Stillfront's CEO Jörgen Larsson and members of the executive management team, as well as deep dives in Stillfront's operations and Stillops platform, with participation from the leadership of some of Stillfront's studios.
