

CFO Niklas Tyrén to leave Kjell Group in 2024

Niklas Tyrén, CFO, has announced that he will leave his position in the second quarter of 2024. Niklas Tyrén has been part of the group management since he joined the company in 2015. The company is now working on recruiting a new CFO.

"Niklas has contributed in a fantastic way to the development of Kjell & Company and Kjell Group during the past eight years, where the company has gone from a small private company to a listed group. During this journey, Niklas has been a strong contributor to the company's strategies and has been a key figure in carrying through financing, acquisitions and a successful IPO of the group. I would like to take the opportunity to express my warm thanks to Niklas for good collaboration and his efforts at the company and wish him all the best in the future. I am also pleased that Niklas will continue as CFO until and including the second quarter of 2024, which provides the right conditions for a solid recruitment process, continued stability, and a good handover to his successor", says Andreas Rylander, CEO Kjell Group.

"I am very proud to have been part of and contributed to the group's journey over the past eight years. Today, Kjell Group is a unique actor on the market with a fantastic position towards the continued digitization of society. The timing is therefore right for me to take on new challenges, and I will remain dedicated in my role until my successor is in place. I wish the company all the best, and I look forward to following Kjell Group's continued journey as one of many satisfied customers", says Niklas Tyrén.
